Hello all!

See below for the email sent to DSH volunteers. See attached for de escalation and conflict resolution training notes.

Hello all!

It's almost showtime! Thank you so much for your interest in participating at one or multiple Drag Story Hour events. We are so excited and grateful to have you.

Many of you attended the training we hosted at Our Center, some of you were unable to attend, and some of you signed up to volunteer after the training had already passed.

I've attached a document to this email that recaps the basics of the training as well as some of the event logistics that we went over during the meeting. Please review this document!

With that being said, we recruited more volunteers than we expected to (yay!). So- all of the necessary positions will be able to be filled.

A few things:

- We will do our best to accommodate your needs and place you in the position where you would like to volunteer. However, we may need to move things around once we are on site depending on operational needs.
- If you would like to volunteer with family or friends that are under 18 years old, that is completely ok, we just ask that you stick together.
- Please show up to the position(s) and the event(s) that you signed up for on your original application form.
- Stacey and myself will be at the Reno and Sparks events to debrief and coordinate with all of you. Look for our Our Center name tags!

Day of:
